

## MAKING MORE: A MANUFACTURING EVOLUTION

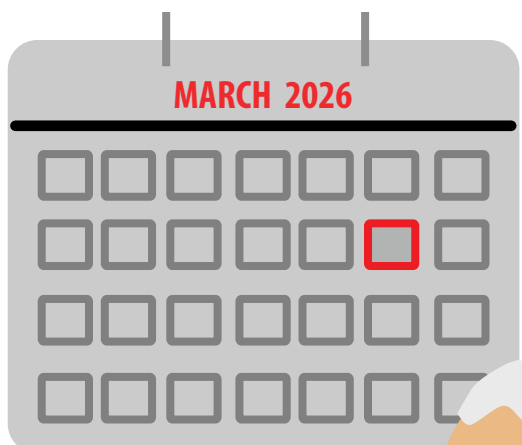

WHY DON'T WE  
HAVE THE RIGHT  
ANSWERS ON  
OUR PRODUCTION  
PERFORMANCE?

WE JUST  
NEED  
A NEW ERP!

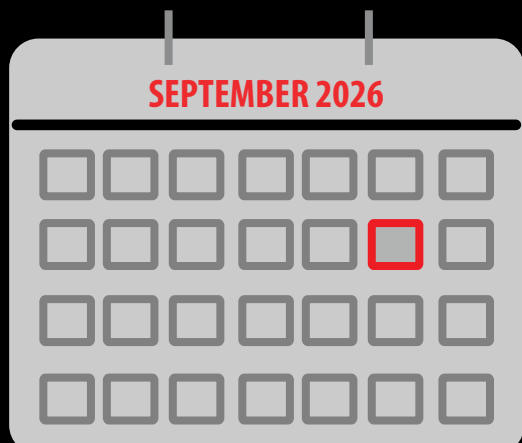

ERP GO LIVE

HOW DID  
THAT JOB  
RUN?

MAYBE WE NEED  
MORE DATA?  
MY GUYS  
CAN HELP!

I THOUGHT  
THIS ERP WAS  
GOING TO MAKE  
ME DO LESS???

I STILL  
DON'T HAVE  
THE ANSWERS  
I NEED

GIVE IT  
ANOTHER YEAR!  
WE'LL EITHER  
GET IT RIGHT  
OR WE'LL GET A  
NEW ERP!

I'LL BE DEAD  
BEFORE WE FINISH  
ANOTHER NEW ERP  
IMPLEMENTATION...

ME TOO...

I'M OUT!

## ONE YEAR LATER...AN ERPiphany...

DOUBLE DOWN ON ERP

MACHINE DATA

MAYBE WE  
SHOULD LET THE  
MACHINES TELL  
US WHAT'S  
GOING ON?

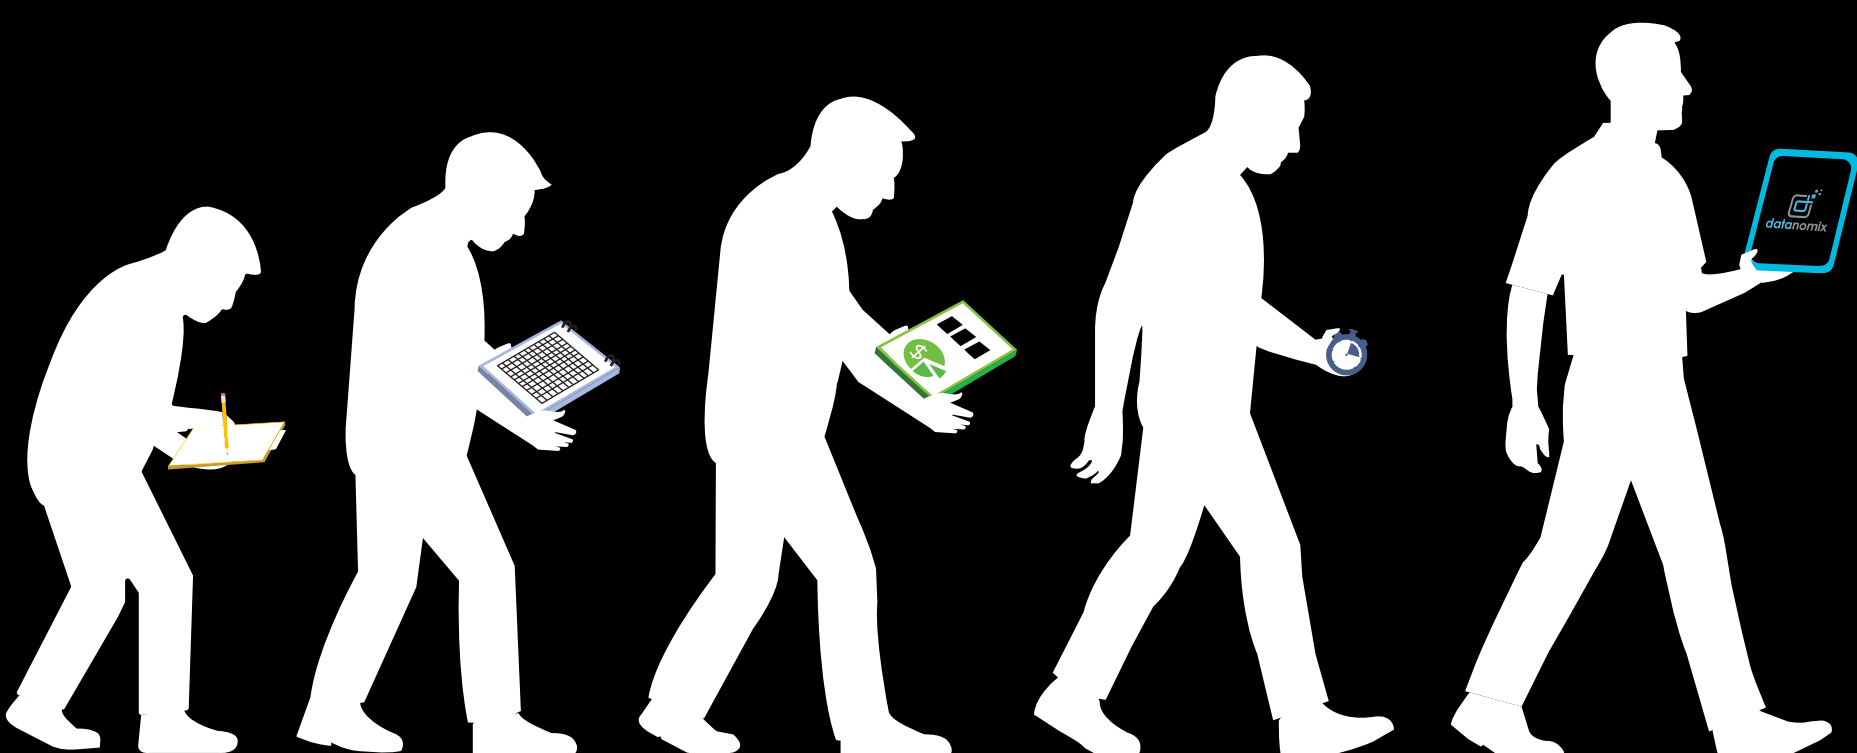

THAT'S A  
GOOD  
IDEA!

HOW THE  
HECK DOES IT  
KNOW ALL  
THAT?

I SHOULD'VE  
CALLED  
DATANOMIX  
18 MONTHS AGO!

BUT I  
WANT A  
NEW ERP!

GOOD MACHINE DATA: THE MISSING LINK
